MOTION TO OBTAIN RELIEF TO ALLOW TO FILE A LATE PROOF OF CLAIM.

TO: Judge Montali,

Or to whom it may concern,

This letter is intended as proper motion to obtain relief to allow to file a late proof of claim.

We respectfully request that you allow late proof of claim for the claimants listed below.

We as a family did not file a claim earlier, because we did not know we were eligible to file a claim.

We did not know neither anyone told us.

We thought it was only for people that lost their homes, properties, on the fires.

So, we found out later, and that is the reason we ask you kindly, and respectfully to allow us to do so.
